

STILES NORTHEAST REGIONAL TRAINING CENTER GRAND OPENING

November 1-2, 2017
Stiles Machinery & Eastern Millwork Inc.

TWO DAYS, ONE FOCUS: YOUR SUCCESS.

Join us as we celebrate the grand opening of the Stiles Northeast Regional Headquarters! Experience informational and educational discussions, including special guest speaker, Guy Bucey of Inova, and a tour of one of the most innovative manufacturing facilities on the east coast. Connect with fellow manufacturers, be inspired by the industry's latest advancements and get motivated for future progress.

On Wednesday, November 1, experience how Stiles Machinery is supporting customers in the Northeast better than ever at our all-new headquarters and training facility in Bristol, PA.

Featuring an innovative Stiles University learning lab and hands-on training opportunities with multiple fully-powered, production-ready machines, our new facility represents Stiles' commitment to supporting manufacturers in the Northeast region with unique growth opportunities, specialized training and unmatched support.

On Thursday, November 2, we'll make the trip up I-95 to visit Eastern Millwork Inc.'s brand new state-of-the-art facility in Jersey City, NJ to see first-hand how manufacturers in the Northeast region are investing in new production solutions to increase labor savings and improve automation.

You'll have an exclusive opportunity to see inside their incredible facility and hear about their continual growth and success. Since partnering with Stiles, EMI has refocused their manufacturing processes to vastly increase efficiency and productivity, allowing them to expand their business in New York and New Jersey.
